This Privacy Policy is designed to help you understand how we process your information via the Site for donations, the Programs, and any other submissions or inquiries to the Foundation, and the choices you have about how we use your information. Specific additional rights may apply if required by applicable law.

The Privacy Policy applies to data that personally identifies you (“Personal Information”). By using the Site and the Programs, you agree to the terms of the Privacy Policy.

Personal Information Collected

The Foundation gathers Personal Information you provide through its Programs, such as your name, address, and e-mail address. This information is processed based on your consent or the Foundation’s legitimate business interest.

If you make a donation to the Foundation, your Personal Information will be processed by our third-party payment processor, and subject to their terms and policies. The Foundation may receive Personal Information from our payment processor to allow us to communicate with you.

The LUfH application asks you to provide contact information, professional experience, reasons for applying to the program, and your availability to participate in the program. The application is hosted on our third-party survey service provider. We may share information about your application with the Community Partner that nominated you. If you are selected for LUfH, you will be subject to Korn Ferry’s terms and policies for the KF Advance platform and other tools and resources utilized by LUfH on behalf of the Foundation. The Foundation may also request your feedback about our Programs, and information about your racial and ethnic identity, gender identification, and sexual orientation to assist us in understanding the composition of our participants. Additionally, your basic personal contact information may be shared with our third-party credentialing provider for the purpose of setting up your program completion credential.

The LKSP application is made through Scholarship America, a third party who administers the application and selection processes for the LKSP. In association with your LKSP application, the Foundation may receive your name, your contact information, and the contact information of your parent, legal guardian, or other relevant individual who is a Korn Ferry employee. Personal Information such as academic transcripts and financial information will only be processed by Scholarship America and is subject to their terms and policies. The Foundation and Korn Ferry may receive Personal Information from Scholarship America to allow us to communicate with you and, where relevant, your parent(s), legal guardian(s), or other relevant individuals if you are awarded a scholarship.

If you apply for the FGP, you may provide contact information on behalf of your organization so that we may communicate with your organization about the grant application.

We may receive personal data about you from other sources, including your company/organization, professional references, publicly-available sources, our third-party service-providers and other third parties. For example, we may receive your personal data if someone at your company or organization designates you as a contact person for that company or organization or includes information about you in proposal documents; or one of our personnel or service providers provides it to us when registering you to access our facilities or our sites, or to participate in one of our events.

How we use your Personal Information

We will use your information to communicate with you about your donation, your involvement (including any potential involvement) with the Programs, or to respond to a request you have made.

However, these companies may use such Personal Information only for the limited purpose of performing those services and may not use it for any other purpose.

The Foundation does not sell, transfer, or disclose Personal Information to third parties other than as outlined herein. We retain your Personal Information for as long as needed or permitted considering the purpose(s) for which it was obtained.

The Foundation will disclose the minimum amount of necessary information to satisfy any legal request in compliance with all applicable data protection regulations. Your information may be disclosed to protect the integrity of the Site, to respond to your requests, or to cooperate in any law enforcement investigation or an investigation on a public safety matter in compliance with all applicable data protection regulations.

The Foundation may use Personal Information that you provide and information we gather about you including, but not limited to, from surveys, interviews, and off-boarding, for research and development purposes such as understanding the composition of our applicant pool and measuring the effectiveness of our Programs like LUfH.
